Francisco. He went up at 8:30 a. m., accompanied by Engineer Beisher. Little difficulty was experienced in mak ing the ascent and when the end of the rope was reached it was let go. After rising 500 feet from the ground the air-ship veered and circled about for five minutes to test the engine and steering gear, and then headed south and started in the direction of San Jose at a brisk rate against the wind. Everything went well until the airship arrived over Blankens, six miles out. It was then Blankens, six miles out. It was then going rapidly, but something went wrong with the machinery, which caused the airship to descend. Nothing was injured either in the (ar or about the great gas bag. Engineer Be sher said: "The trip was highly successful. Everything went well and all parts of the machinery were in good working order. I am were in good working order. I am thoroughly satisfied with the test. We could direct the machine at will and made several complete turns before descending. The sudden giving away of a small value led us to descend."

### Mellen on Labor Unions.

President Mellen, of the New Haven line, in addressing a workingmen's club Thursday, spoke of his own humble be ginning as a labor man, and said that the union was simply a means of averaging wages, or "a device for making those who are willing to work care for those who want to soldier." He was opposed especially to the rule of seniority in service, preferring the rule of ability. As to the tendency of it all, he frankly stated that if unchecked the public corgove ument. He said it was impossible to pay better wages with business falling off day by day.

Whooping Cough.

"In the spring of 1901 my children had whooping cough," says Mrs. D. W. Capps, of Capps, Ala. "I used Chamberlain's Cough Remedy with the most satisfactory results. I think this is the best remedy I have ever seen for whoop-ing cough." This remedy keeps the cough loose, lessens the severity and frequency of the coughing spells and counteracts any tendency toward pneu-monia. For sale by Richard Gibson and W. F. Creighton & Co.

A Sure Thing.

A Sure Thing.

It is said that nothing is sure except death and taxes, but that is not altogether true. Dr. King's New Discovery for Consumption is a sure cure for all lung and throat troubles. Thousands can testify to that. Mrs. C. B. Van Metre, of Shepherdstown, W. Va., says: "I had a severe case of Bronehitis and for a year tried everything I heard of but got no relief. One bottle of Dr. King's New Discovery then cured me absolutely." It's infallible for Croup, Whooping Cough, Grip, Pneumonia and Consumption. Try it. It's guaranteed by E. S. Leadbeater & Sons, druggists. Trial bottles free. Reg. Sizes 50c and \$1.00.

Alexandria, Va., April 14, 1904.
We lived with our family of eight children for seven years at 911 Wolfe street. After the men put down a lot of pipe in the ground the water came up in the yard and the children and we had no sickness while we drank it. We declare we found it good and healthy and the neighbors remarked that our children looked remarkably ruddy. We are now applicants to get back so as to have the benefits of the water.
